## INSIDE A BARELY LEGAL GIRL

**Hey! It's me, Lindsey.** You guys, I feel like I have a fire-cracker in my cooch, seriously. I am blown away by the hotness in this issue.

First of all, usually I'm lucky to find one girl with yummy puffy nips. This month we have *three*—Kylie, Jordin, and Karly. Plus, Karly has braces. You're killing me, Karly!

I'm always happy when I can rustle up a hairy babe for the fur fans. But Victoria doesn't *just* have bush—she has crazy, dark curls that grow right down (up?) to her buttohole!

Girls together—always hot and dirty, right? Well, I've never seen any pair hotter and dirtier than Christina and Cali. Get that sticky toy out of your mouth, Christina! (And place it in mine!)

Finally, there's Leslie, our mouthwatering, eye-melting Teen Queen of the Month. She once came so hard, she passed out. Right now I can totally relate!

How about you guys?

*xxx Lindsey*

## MARCH 2017 PANTY CONTEST WINNERS!

*T.P. and R.H., your hands and noses are about to get very busy. Kristen and Sophia's sweet undies are on their way!*

**KRISTEN**

I got to keep this letter short. I need to put this pen down and go back to my right hand! Kristen is charged with giving me a non-ending hard-on! LOL.

Respectfully,  
T.P.  
Oklahoma

Dear BARELY LEGAL,

I really, really want Sophia's panties. She states in her interview that she wants her man to treat her like a queen and "make his mouth my throne." As long as I have a face, she has a place to sit down.

The other fan who told her she had a size "perfect" ass was right. To know that the panties had been stretched around that ass and rubbed up against her pussy would drive me nuts. She is an absolutely beautiful young woman. Watching her have sex on camera...wow, I want those panties.

The first thing I would do would be to lay down, close my eyes, and place the crotch of the panties on my face. Every breath would be Sophia Leone's essence. I would be as close to heaven as I could get. Perhaps I would be fortunate enough to find one of her pubic hairs in the panties...too cool.

I promise I will take good care of them and cherish them forever. Please, please, please let me win Sophia's panties!!

R.H.  
Wisconsin

**SOPHIA**

Dear BARELY LEGAL,

I have not had time to sit down and write a letter requesting Kristen Scott's panties. My right hand has been so busy!

Kristen has given me so many multiple orgasms. I cannot keep my eyes off of her! She stated that her pussy has the power, but I would love to show her that my tongue and cock have the power! I would like to lick those toes and feet and run my tongue up to that beautiful pussy. I just want to lick and kiss her body all over.

That's what I would do with her panties. I would kiss them and lick them and smell her aroma through them. I would carry her panties with me everywhere I would go. Hell! I would want to die and be buried with them.

NAOMI

know how you find them or they find you, but keep it up and I'll keep getting your magazine.

Pete M.

Hi Lindsey,

I love seeing your cute, beautiful pussy both ways: first closed, standing, and then wide open, pulled upward, so your clit pops out of your hood.

A few comments about the girls now: Naomi Woods—OMG! I love your poses! You know just how to pull open your lips to show all us readers your sweet treasures inside! The double-page spread of you with your left index finger inside your clit hood, pulling up to show me your sweet, suckable clitoris—this is a first. Thank you sooo much, Naomi. Please come back soon.

Thank you, Celia Monty, for your confession and photo spread. I love to hear all the stories of you young girls' lives, and the awakening of your sexuality. More, please.

Ashli and Lexi, thank you for all the bi girls at BL and us men who like to see pussies fucked with toys and licked.

I love all the BARELY LEGAL Classics, as some of them I've never seen. Thanks, Annette, if you happen to read BARELY LEGAL still. I hope you don't mind us still stroking ourselves to your young body. Fourteen years have passed since you were brave enough to share your sweet young body with all us lonely men. I hope and pray your life has been a good one, and you are loved and have the love of your life with you now.

Thank you so much, Lindsey and crew.

C.K.  
California

*LB., Pete M., and C.K., thank you so much for answering my question! Tons of guys wrote in, and everybody said basically the same thing: Yes, girls—please keep spreading your pussies! Some of you, like Pete M., had very specific feedback that will help us in the future. And almost ALL of you were blown away by Naomi Woods. Well, get ready, 'cause she's back next month, in our August 2017 issue, poppin' her clit like crazy!*

*Thanks again, everybody!*

*—Love you, Lindsey*

Dear Lindsey,

In the March issue, you asked if BL girls spread too much. Lindsey, that's not possible. If pussies weren't meant to be pulled open, they wouldn't come equipped with lips that are perfect for holding and pulling apart. These lips I call the Vagina's Ultimate Look Viewing Aids, or vulva for short. The problem is that some girls don't open up wide enough. There are so many wonderful, fascinating things to see inside, and no two look the same. There's Old Faithful (the peehole). I also want to see the entrance to the Tunnel of Love (the vaginal opening). And last but not least (if I'm lucky), the precious Pink Pearl (the clitoris). If you want a perfect example, check out Naomi Woods's layout in the March issue. I have never seen a girl take her finger and stretch the hood up to show her clit. It's as though it was saying, "Don't forget me. I want to be in the picture, too." Naomi understands.

LB.  
Maine

Dear Lindsey,

You asked about BL girls spreading their pussies. I like when the girls just spread their outer pussy lips. I can see all the parts of their pussy—the inner lips, the clit, the hole. Just all the beautiful parts, as shown by Naomi Woods in the March Issue. I can look at that all day.

What I don't like is when the girls spread the inner lips. Now I can't see all the parts of their pussy. Also, I'm not too crazy about the girls putting their fingers in their pussy.

The very best example of opening your pussy is shown by Tessa, in her last shot. See how beautiful that looks? I can see everything. So, Lindsey, if you can get more of the girls to open their pussy like Tessa, that would be awesome. And tell Tessa she is beautiful, and looking at her pussy just leaves me speechless.

I've been getting BL for about four years now, and I have to tell you, I am hooked on this magazine. I have never seen anything like this before. The girls are just jaw-dropping gorgeous. Every month you have new girls that are even more gorgeous than last month. I don't

**Aren't you scared someone will see you?**  
 I hope they do!  
**Have you ever had sex in public?**  
 I had sex at a party, but it was in a bedroom, so no one saw.  
**Was it with a boyfriend?**  
 No, I just met him that night. If a guy is hot, he's hot. I don't have to do research!  
**Have you had a lot of sex?**  
 I've tried a ton of things already. Sex with a girl—okay. Sex with a girl and a guy—awesome. Anal sex—super awesome.  
**Don't do everything before college. You'll run out of things to try. LOL!**  
 Well, I still have to have sex with two guys. And I still haven't had sex with an older man.  
**Uh-oh. Watch out, Anita's professors!** ★

**H**ey there! It's Abby the intern. Soon-to-be college freshman Anita likes to go fast.

**Hey, Anita! Are you excited to start college this fall?**

So excited. I already bought all of my textbooks and started reading them.

**Isn't there plenty of time for that? You should have fun over the summer.**

Studying *is* fun. But I have other fun, too. I love riding my standing bike everywhere. I only wish I could go faster.

**You should get a motorcycle. LOL!**

I would love to get a motorcycle someday! For now I would just be happy to meet a cute guy who has one and can take me for rides.

**That sounds scary.**

It's not! I've done it. You wrap your arms around him and hold tight and just fly.

**Does it turn you on?**

Omigod, yes. The way the bike rumbles? It's better than a vibrator, seriously.

**Do you ever use a vibrator?**

## VICTORIA

### sticky fingers

**H**ey, it's Lindsey. Recent high school graduate Victorie took a break from masturbating to pose for us!

**Hey, Victorie! Did you like posing nude?**  
Yes, I love being naked. The human body is beautiful, and we shouldn't be ashamed of it.

**Yours is very beautiful. What do you think is your best feature?**

I love my breasts. I think they're the perfect size.

**What do you do for fun?**

I like to write, draw, and paint. Create things. I'm going to go to art school in the fall.

**Oh, you're an artist. Is that why you have a giant bush?**

No. When I was younger, this is how I always pictured myself. I wanted to be a woman with nice breasts and pubic hair.

**Most girls shave nowadays. They say bush gets in the way.**

My bush comes in handy. When my fingers are all sticky with girl goo, I wipe them off on it.

**You really do that?**

No, I'm just kidding! But it does feel nice to play with my pussy hair. It tingles when I pull on it.

**Do you masturbate a lot?**

Mmm...I guess I can tell you. I masturbate constantly. I honestly can't keep my fingers out of my pussy.

**Well, it is fun to fuck yourself.**

Yes, but I can't stop! One of these days I'm going to get caught.

**Caught where?**

Wherever I'm doing it—in cars, dressing rooms, movie theaters. I used to even do it under my desk sometimes at school!

**And no one noticed?**

One teacher did. I had to see him after class.

**How did he punish you?**

With his fingers. He was almost as good as I am. :) ★

# JORDIN DAYE

up all night

PHOTOGRAPHY BY JIM GUNN

**H**ello again. It's Stacy the intern. Adorable Jordyn is about to start beauty college. She's going to rule that school!

**Jordyn, I love your hair. Do you do it yourself?**

Yes, I do. I've been doing mine and everyone's hair, makeup, and nails since I was a little girl.

**Why do you need to go to school?**

Well, I need to get my license. Anyway, it wouldn't hurt me to learn more. We should all always be learning.

**Did you like posing nude for us?**

Yes. I take good care of my body. Why not show it off?

**What do you think is your best physical feature?**

My nipples. They're big and pretty.

**They're very puffy.**

They puff out even more when you fuck my titties. :)

**Do you like oral sex?**

Yes, I like to have a nice, big cock in my mouth.

**Do you swallow?**

Mmm-hmm.

**What is your favorite sex position?**

When my partner is sitting in a chair and I'm on top. That's the best way to grind and make myself come.

**Do you sit facing the guy, or with your back to him?**

It works either way! Let's mix it up!

**What's the wildest sex you've had?**

I would say anal sex is the wildest. It took me a while to open up to it, but once I did—oh, my goodness!

**What's the best sex?**

It's always best when we go all night long.

**Have you been with a lot of guys who can go all night long?**

Well, you're not actually fucking the whole time. When I say all night, I mean we can take all night to kiss and pet and lick each other's bodies from head to toe. Maybe take a sexy bath together. Maybe even spend some time talking.

**Sounds like an event!**

I prefer to make sex an event. Although I'm not opposed to the occasional quickie. :)

**Who's your ideal guy?**

My ideal guy is a man who takes care of himself. He's fit, well-groomed, has clean fingernails...

**Maybe you can do his nails. LOL!**

Hey, manicures can be very intimate and sexy. The right man will turn his hands over to me. ★

MEASUREMENTS: 36A-28-36  
HOMETOWN: PEKIN, ILL.

**Most sensitive body part:** My feet  
**Favorite position:** Doggy (naturally).  
**Favorite sexual activity:** Giving and receiving oral.  
**Spit or swallow:** Swallow. It's the only animal protein I eat. LOL!  
**Favorite way to fuck:** Fast, hard, and loud.  
**Best way to make me come:** Lick my pussy.  
**To bl or not to bl:** I love having sex with girls. We can be even nastier than guys sometimes. I let one girl lick my asshole!  
**Favorite place for a guy to come:** Inside me. It's intimate and special.  
**Anal, yay or nay:** Yay—someday. I try to keep an open mind.  
**Best sex ever:** It was with a guy who had the most amazing tongue ever. He made me come so hard, I fainted. I woke up with a wet washcloth on my forehead!  
**Best way for a guy to pick me up:** Just be yourself and let me be myself.  
**Ultimate goal in life:** To run a no-kill animal shelter. ★

**H**ey, it's Lindsey. Recent high school grad Leslie is sweet as pie. I want to eat her up!

**About me:** I'm friendly, outgoing, a little spacy. I'm a strict vegan. I try to always be kind. I love animals more than anything—including most humans. LOL!

**Best thing about posing nude:** Feeling pampered, like I'm a professional model.

**Best physical feature:** My curves.

**Favorite hobbies:** Walking my dogs, playing with my cat, and trying to teach my parrot to say something besides "Hello, bitches." (His previous owner was not a nice person.)

**Pet peeve:** When my fellow vegans lecture meat eaters. We'll never convince them that way! You have to let people figure things out for themselves.

**Biggest turn-on:** A good foot massage.

**Biggest turn-offs:** Meanness and rudeness.

**Favorite way to masturbate:** With my fingers.

**Ideal guy:** He has to like animals, of course, and be gentle with them. And he should be gentle with me, too—unless we're in the bedroom. :)

How's your tongue?  
Love,  
Leslie

♥ JULY 2017 ♥

**F**irst, there's something you should know about me: I don't have any trouble meeting guys. I always have at least two boyfriends at the same time. Or used to have, anyway. That all changed when my addiction got out of control.

It started on a Tuesday a few months ago. Every week, me and my best friend Natasha set aside one night for each other. She's also really hot and gets tons of guys, but we like to have this special date just for us. Usually we eat each other out, but this time Nat had a surprise.

"A vibrator?" I said.

"I just got it, and it's *amazing*," she said. "I can make myself come in like five or ten minutes."

I felt hurt. "Don't you want me to lick your pussy anymore?"

"Yes, of course!" she said. "It's just for a change. Come on, Crys—let me try it on you."

I sighed and laid back on my pillow.

"Now just spread your legs and relax," she said, switching the toy to ON. It buzzed as she aimed it at my cooch. "You're going to come so fast."

"UUNNNGGHH!" The minute the vibrating tip touched my clit, my insides exploded.

"Holy shit, Crys!" Natasha clicked the toy off. "That wasn't even ten seconds."

I just laid there, paralyzed. "Where did you say you got that thing?"

The next day I had my own cute little vibrator. Purple. I named it Ricky. You guys, it was true love. For weeks Ricky was there every morning, helping me jump-start the day. Every night he sweetly kissed my clit and helped me fall asleep. And in between, he came to school with me, tucked away in my backpack, ready to play at a moment's notice.

"Crystall"

Natasha stood there with her hands on her hips as I slid Ricky out of my wet pussy.

"How did you find me?" I asked. I didn't think anyone but me knew about this old janitor's closet in the basement.

"I followed the buzzing!" she said. "Are you *insane*?"

"It helps me relax," I said. "I have that big trig exam next period."

"I *never* see you anymore," she complained. "You don't even leave your bedroom on weekends. When is the last time you went out with a human guy?"

I honestly couldn't remember.

"Well, this Friday you're going out with Brody Hanley. Don't argue with me. I'm your best friend, and this is an intervention."

I never argue with Natasha when she gets like that. Actually, I love it when she gets like that. It makes me tingly.

"Hey, my panties are already down," I purred, leaning back on my overturned bucket and spreading my legs.

She rolled her eyes and left.

*Fuck her*, I thought. I slid Ricky back into my cooch. *I don't need her.*

I didn't need Brody Hanley, either, but he was hot, and he had a nice dick. My mouth watered when I pictured it. I wasn't *insane*. I still craved real cock.

Friday night arrived. Brody and I didn't even bother to go out anywhere. We went straight to my room and took off our clothes. Brody grabbed my boobs.

"I sucked these tits," he growled. He stuck one in his mouth and sucked.

*Mmm...* and I missed that feeling. His hot tongue swirled around my nipple. My pussy was already throbbing.

"I can't wait to fuck you," I said, grabbing his hard cock.

"Yeah!" he said. He spread my pussy lips roughly and jammed his cock in. I felt...nothing.

"How do you like that?" he huffed, pounding away. "How do you like my dick?"

## BARELY LEGAL CONFESSION

### BY CRYSTAL ANN COLFAX

PHOTOGRAPHY BY JIM GUNN

"I like it fine," I said.

But I was horrified. What was wrong with me? Had I broken my pussy with excessive vibing?

I panicked.

"Hey!" I said. "What if we try something different?"

Brody stopped and pulled out. "Huh?"

I reached into my nightstand and pulled out Ricky.

"Fuck me with this," I said. "It'll be fun."

"What are you trying to say?" Brody stood up. He was fuming.

"We need, like, a marital aid? Like old people use? What's wrong with my dick?"

"Nothing!" I said. I tried to grab his cock, but he was already putting his jeans back on.

"I only came here as a favor to Natasha," he said. "She owes me a blowjob, and I'm getting it now. See ya."

I want to say I felt bad that he left, but...I didn't. Now I could be alone with Ricky.

But then a few more weeks passed, and I started to get a little worried. I had lost touch with every boyfriend I ever had. Even Natasha had stopped coming around. I was going to die an old maid! They would find my body buried under a pile of dead double-As.

I had to do something.

One day, I stayed after trig class to talk to my teacher. A total nerd. I was way out of his league, but I was desperate.

"Mr. Rieger," I said, "this homework looks crazy hard. Can I get some after-school help from you?"

He blinked behind his giant glasses. "Of course, Crystal. I have a little time."

When I returned to his classroom after school, he was standing at the blackboard, writing.

"Let's begin with..."

"You won't be needing that," I said, gently removing the chalk from his hand. I pulled up my skirt. My panties were in my backpack. "I really need help with something else."

Mr. Rieger's eyes bulged.

"I-I-I can't help you with that," he stammered.

I looked down. His dick was practically busting out of his trousers.

"I'm sure you can," I said.

"No, you don't understand," he said. "I'm married. I swore I would never touch another woman. I made a vow."

That gave me a brilliant idea.

"What if you fuck me without touching me?" I asked.

I pulled Ricky all clean and shiny from my backpack.

"Then it won't count, right?"

I handed him the vibrator and spread out on his desk.

"Yes!" he said. "You're right!"

"Just aim straight for my clit," I said. "I promise it won't take long."

Mr. Rieger flipped the switch and pressed Ricky against my clitty. My body immediately whipped back and forth, then BAM. Three seconds, tops. It was a new world record!

"Omigod!" Mr. Rieger stood there in shock.

"I know, right?" I said.

I had to admit, playing with my toy was even more fun with someone else. There was just that little something extra. Plus I got to watch Mr. Rieger beat off then jizz all over my tits. (Cum doesn't count as touching, either.)

We've been holding our little after-school "tutoring" sessions for weeks now. Sometimes we even mix it up with a little butt stuff. So hot. It's basically the perfect relationship. ★

# CHRISTINA MOURE & CALI KAYDEN

## perfect fit

**H**ey! It's Stacy the Intern. Cali is a statuesque 5-9 and Christina is a wee little 5-2, but somehow these two porn hotties fit together perfectly.

**Hey, ladies! I don't know why, but seeing a tall girl with a petite girl so turns me on.**

**Cali:** Maybe because you're a tall girl who secretly likes Christina better than me?

**I like you both equally, and I'm only 5-7.**

**Christina:** *Only 5-7? You could totally take advantage of me!*  
**Christina,** you do *not* look like someone who gets bossed around.

**Cali:** She's *rough*. Did you see her chewing on my poor little pussy lips?

**Christina:** You loved it.

**Cali:** I did.

**Who is the dominant one here, really?**

**Cali:** Christina. She does whatever she wants—including sticking her tongue in my asshole with *no warning*.

**Christina:** You loved that, too.

**Cali:** I did.

**Have you ever had anal sex?**

**Cali:** Me? No. I think a tongue is about all I can handle!

**Christina:** I love anal sex.

**Interesting, because that's kind of a submissive position.**

**Christina:** Not for me.

**Cali:** I've seen her in action. She's going to snap someone's cock off one of these days.

**Christina,** do you *prefer* dick or pussy?

**Christina:** I love the way dick feels, but I love the way pussy tastes.

**How about you, Cali?**

**Cali:** For me it's pussy all the way.

**Christina:** But you don't mind a toy in your cooch.

**Cali:** I do like that.

**Christina:** One of these days I'm going to slip it into your butthole!

**Christina,** you *are* bossy.

**Christina:** You love it.

**I do!** ★

**DEVIN**

**operation pricktease**

**D**evin would rather fuck with a guy's head than suck his dick. Raven-haired, 18-year-old Devin always flirts with the ugliest guys. Most geeks are so grateful to Devin for letting them feel her tits or finger her pussy, they overlook the bitchy cracks she makes about their dick size.

Warren was the only guy Devin ever respected. She noticed Warren standing near the wall at an all-ages dance club. Devin led Warren to a secluded corner of the club. They kissed.

The sultry teen rubbed Warren's package. "You better fuck me tonight. You're never gonna do any better."

"Fuck you, bitch."

Warren shot a glob of spit in Devin's face and left the club.

Lots of men worship Devin, but she's never met another one who's given her what she deserves.★
